RECONNECT WITH ROTARY

Sergeant Noel gave advance notice of a meeting at Hobsonville Point on **Wednesday 2nd November** titled "Reconnect with Rotary" for all recent attendees at RYLA and other Rotary sponsored events.

The purpose is to develop an alumni association and date base to keep up the contact with these people. They are a source of future members.

guest speaker

DG Matthew McLeod & Assistant DG Judy Lawley

2022-23 District Governor Matthew McLeod joined the Henderson Rotary Club in 2008 when he helped establish a satellite club. He was 28 and had been running his own software business since leaving school.

Matthew McLeod - District Governor, District 9910

Matt became the Henderson Club President in 2016 and has been involved in District affairs since then. He has the conviction that, the way to move Rotary

forward is to do hands on projects involving as many Club members as possible. His mantra is **“Projects – the way to grow Membership!”**

Matt McLeod likes hands on projects

Matt further explained how he wants to provide Clubs with “how to” help. As part of this he is setting up an online Project Volunteering Site where clubs can post information about the projects they are planning. An important element of this is to connect clubs with the District resources available to them.

Matt believes that taking part in projects is the best way for people to be introduced to Rotary. He is planning a website “Volunteer with Rotary” to network with like-minded people.

Also included will be a Rotary Refresh Workshop to focus on “Why Rotary?”, “The Purposes of Rotary” and “Rotary Connections”, and one on “Practical Skills for Rotary”.

The **District Convention** is being held at **Alexandra Park** on the weekend of **28th -30th April 2023** (close enough even for some of our members to walk there).

The **Rotary International Convention** will be held in **Melbourne from 27th – 31st May 2023**. Neil Reid endorsed the value of the event along with the enjoyment of attending the RI conventions.

Finally, Matt thanked the Club for hosting himself and Judy, and said he felt there was a good energy and vibe emanating from the meeting they had with our new Board earlier on.

Judy Lawley is Matt’s number one contact point to liaise with him and is looking forward to working with us.

Judy Lawley – Assistant District Governor, District 9910

THOUGH FOR THE WEEK
